LAND AT 63A SKIPTON ROAD, ILKLEY

TREE PRESERVATION ORDER 2015

THIS IS A FORMAL NOTICE to let you know that on 24th November 2015 the Council made the above Tree Preservation Order.

A copy of the order is enclosed. In simple terms, no one is allowed to cut down, top or lop without the Council's permission any of the trees described in the 1st Schedule of the Order and shown on the map.

The Council made the order because the tree is of significant public amenity. It is a large mature and prominent specimen which is visible from numerous public views and is a significant landscape feature.

The order came into force, on a temporary basis, on 24th November 2015 and will remain in force for six months. During this time the Council will decide whether the order should be given permanent status.

People affected by the order have a right to object or make comments on any of the trees or woodlands covered before a decision is made on whether the order should be made permanent.

If you would like to make any objections or comments, please make sure the Council receives them in writing by 6 January 2016. Your comments must meet regulation 6 of the Town and Country Planning (Tree Preservation)(England) Regulations 2012 (a copy is attached). Please send your comments to the City Solicitor at the address stated below. The Council will carefully consider all objections and comments before deciding whether to make the order permanent.

The Council will write to you again when a decision has been made. In the meantime, if you would like any more information or have any questions about this notice, please contact Simon Keenan, Department of Regeneration, Trees Section, 3rd Floor, Jacobs Well, Manchester Road, Bradford BD1 5RW.
