

Dear sir/ madam,

Thank you for consulting Natural England on the Addingham Neighbourhood Plan. Natural England's Yorkshire and northern Lincolnshire Team are not in a position to review the latest draft of the neighbourhood plan at present or to assess the potential impacts on statutory nature conservation sites or protected landscapes. If you consider there are significant risks to statutory nature conservation sites or protected landscapes then please re-consult us detailing the areas on which you would like us to provide detailed advice.

I note that we have previously provided comments on the neighbourhood plan and the HRA/ SEA which I have attached for your information.

Kind Regards,
