4. Please use the box below to give reasons for your support / objection or to make your observation and give details of any suggested modifications.

It's absolutely deplorable that large scale housing developments are being built in small villages ruining the countryside furthermore there is already too much traffic going through the village with the Scalebor development. The Malt Shovel and more recently Burley House. The traffic passing through the village also calling at the coop is horrendous. A new housing development would just add more carnage.

There are not sufficient resources in the village to accommodate hundreds and hundreds more people. It's impossible to get a doctor's appointment also how will we accommodate kids getting into Schools whose parents have lived here all their lives.

It sickens me that these Developers just come along and stick up houses anywhere spoiling the natural beauty of the village with no regard as to how it affects everything/everyone else.

5. Please place an 'X' in the box if you would like to be notified whether the plan proposal is made (adopted) by the Council or not:
