It is evident that not enough consideration has been given to the availability and use of brown field sites in the area which would provide the required homes without destroying the very green belt that makes the area rural rather than urban. It is too easy to stretch the boundaries of the village and also does not sufficiently consider the wider implications of such concentrated development.

I strongly believe we need a thorough review of all sites in the area before our fields are built on.

5. Please place an 'X' in the box if you would like to be notified whether the plan proposal is made (adopted) by the Council or not:
