The following provisions of the Town and Country Planning Act 1990, as adapted and modified by Part I of this Schedule, apply in relation to consents, and applications for consent, under this Order.

Section 69

- (1) Every local planning authority shall keep a register containing information with respect to matters relevant to tree preservation orders made by the authority.
- (2) The register shall contain, as regards each such order:-
 - (a) details of every application under the order and of the authority's decision (if any) in relation to each such application, and
 - (b) a statement as to the Subject matter of every appeal under the order and of the date and nature of the Secretary of State's determination of it.

.....
- (5) Every register kept under this Section shall be available for inspection by the public at all reasonable hours.

Section 70

 - (b) they may refuse consent under the order.
 - (1A) Where an application relates to an area of woodland, the authority shall grant consent so far as accords with the practice of good forestry, unless they are satisfied that the granting of consent would fail to secure the maintenance of the special character of the woodland or the woodland character of the area.
 - (1B) Where the authority grant consent for the felling of trees in a woodland area they shall not impose conditions requiring replacement where such felling is carried out in the course of forestry operations (but may give directions for securing replanting).

- (5) For the purposes of the application of Section 79(1), in relation to an appeal made under Sub-Section (1)(d), it shall be assumed that the authority decided to refuse the application in question.
