Citation

1. This Order may be cited as "The land at St Peters Way Menston Tree Preservation Order 2003".

Interpretation

2. In this Order "the authority" means the City of Bradford Metropolitan District Council and unless the context otherwise requires, any reference in this Order to a numbered Section is a reference to the Section so numbered in the Town and Country Planning Act 1990.

Application of Section 201

3. The authority hereby direct that Section 201 (provisional tree preservation orders) shall apply to this Order and, accordingly, this Order shall take effect provisionally on 14th January 2003.

Prohibited acts in relation to trees

4. Without prejudice to Sub-Sections (6) and (7) of Section 198 (power to make tree preservation orders), and subject to article 5, no person shall:-

 - (b) cause or permit the cutting down, topping, lopping, uprooting, wilful damage or wilful destruction of

any tree specified in Schedule 1 to this Order or comprised in a group of trees or in a woodland so specified, except with the consent of the authority and, where such consent is given Subject to conditions, in accordance with those conditions.

Exemptions

5. (1) Nothing in article 4 shall prevent:-

- (a) the cutting down, topping, lopping or uprooting of a tree by or at the request of a statutory undertaker, where the land on which the tree is situated is operational land of the statutory undertaker and the work is necessary:-

- (c) the pruning, in accordance with good horticultural practice, of any tree cultivated for the production of fruit;
- (d) the cutting down, topping, lopping or uprooting of a tree where that work is required to enable a person to implement a planning permission (other than an outline planning permission or, without prejudice to paragraph (a)(iii), a permission granted by or under the Town and Country Planning (General Permitted Development) Order 1995) granted on an application under Part III of the Act, or deemed to have been granted (whether for the purposes of that Part or otherwise);

- (3) Where the authority refuse consent under this Order for the felling in the course of forestry operations of any part of a woodland area, they shall not be required to pay compensation to any person other than the owner of the land; and such compensation shall be limited to an amount equal to any depreciation in the value of the trees which is attributable to deterioration in the quality of the timber in consequence of the refusal.

- (b) they may refuse consent under the order.

(1A) Where an application relates to an area of woodland, the authority shall grant consent so far as accords with the practice of good forestry, unless they are satisfied that the granting of consent would fail to secure the maintenance of the special character of the woodland or the woodland character of the area.

(1B) Where the authority grant consent for the felling of trees in a woodland area they shall not impose conditions requiring replacement where such felling is carried out in the course of forestry operations (but may give directions for securing replanting).

.....
Section 75

Any grant of consent under a tree preservation order shall (except in so as consent otherwise provides) ensure for the benefit of the land to which the order relates and of all persons for the time being interested in it.

.....
Section 78

.....
