Dear Local Plan Team

**NEIGHBOURHOOD PLANNING – REGULATION 16 PUBLIC CONSULTATION
PROPOSED ADDINGHAM NEIGHBOURHOOD DEVELOPMENT PLAN**

Thank you for your consultation on the above dated 14 November 2018

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England is a statutory consultee in neighbourhood planning and must be consulted on draft neighbourhood development plans by the Parish Councils where they consider our interests would be affected by the proposals made..

Natural England has commented previously on the Addingham Neighbourhood Plan in our letter dated 15 May 2018 (our ref 243093, attached for your ease of reference) and our email dated 17 August 2018 (attached). We broadly welcome the updated Addingham Neighbourhood Plan and are satisfied with the supporting Strategic Environmental Assessment and Habitats Regulations Assessment but have no further comments to make.

For clarification of any points in this letter, please contact [REDACTED] at [REDACTED] any further consultations on your plan, please contact: [REDACTED]

Yours faithfully
