PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	%.3	Paragraph	64	Policy	HO3
---------	-----	-----------	----	--------	-----

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	Yes
4 (2). Sound	Yes		No	NO
4 (3). Complies with the Duty to co-operate	Yes		No	NO

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

(Section 5.3, para 64, policy HO3)

- There has been no attempt to assess local need
- The strategy sets out positive measures for minimising green belt releases, valuing green infrastructures, protecting habitats (Section 3 paras 103 – 116 policy SC8), minimising additional travel arising from development, boosting tourism all of which are at odds with the scale of building proposed
- Housing numbers have been reduced on account of a Habitats Regulations Assessment (HRA), but only by 38% in Ilkley whereas the combined reduction across the rest of Wharfedale is 56%
- The whole of Ilkley comes within the 2.5km habitats protection zone designated under the HRA (Section 3 para 106)
- It is unclear from the strategy therefore how the figure of 800 was calculated
- No account is taken of Ilkley’s fairly unique house building profile and the fact that there’s an ongoing process of re-development of large individual property sites and this has lead to a windfall of around 500 new homes since 2004 (such “windfalls” are excluded from any calculations)

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The road network through and around Ilkley is already so congested that traffic movement is very slow. The road network would require radical improvement before even considering any significant development.
At least 800 additional children to educate – where? The schools are already full. Additional facilities would be required IN Ilkley prior to the development.
Car parking – already a nightmare around Ilkley. Additional car parking facilities would need construction prior to any development.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
