PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	See 5 below	Paragraph		Policy	
---------	-------------	-----------	--	--------	--

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	
4 (2). Sound	Yes		No	
4 (3). Complies with the Duty to co-operate	Yes		No	

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Scale of housing

The proposals are acceptable to Kirklees. Once the current city region exercise to identify consistent and comparable housing requirements for each district has been completed there may be the need for discussion to reconcile Bradford's and Kirklees' proposals under the duty to co-operate.

Distribution of housing

The proposals are acceptable to Kirklees subject to continuing discussions on the impact of the Holme Wood urban extension with a view to reaching agreement on the need for and nature of additional infrastructure provision in the locality.

Employment

The identification of the M606 corridor as the location of choice for large scale industry, including storage and distribution, and the proposal for green belt release to facilitate this are acceptable to Kirklees, subject to discussion and resolution of the green belt and transport impacts of Bradford's eventual proposals for employment allocations.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

N/a

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:
