PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	various	Paragraph	variou	Policy	various
---------	---------	-----------	--------	--------	---------

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	x
4 (2). Sound	Yes		No	x
4 (3). Complies with the Duty to co-operate	Yes		No	x

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

We believe that the Bradford's plans conflict with the National Planning Policy on preserving the Green belt and the best and most versatile farmland it encloses.

Within Ilkley there is not corresponding infrastructure planned to deal with the consequences of extensive new housing developments. For example, there is no new school planned to deal with the increased numbers at an already overcrowded and oversubscribed Grammar school.

The A65 is the only road in and out of Ilkley and it is already heavily congested. There are no provisions detailed as to how this issue will be addressed given this will only worsen with an increase in housing stock.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

To be compliant I believe that Bradford need to look at improving/renovating existing housing stock within its boundaries rather than relying on simply building on green belt.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
