## PART B – YOUR REPRESENTATION - *Please use a separate sheet for each representation.*

### 3. To which part of the Plan does this representation relate?

Section	4	Paragraph		Policy	
---------	---	-----------	--	--------	--

### 4. Do you consider the Plan is:

4 (1). Legally compliant	Yes	X	No	
4 (2). Sound	Yes		No	X
4 (3). Complies with the Duty to co-operate	Yes	X	No	

### 5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Our capacity intake for each year group is 245 and the school is already significantly oversubscribed and in every year group. The numbers currently at the six feeder primary schools (Addingham, Ashlands, All Saints, Ben Rhydding, Burley Oaks, Burley Woodhead) are listed below:

	Reception	Y1	Y2	Y3	Y4	Y5	Y6
6 feeders Priority Area 1	247	264	266	253	263	245	232
Priority Area 2 (Menston)	51	64	68	41	57	54	42

We also take in children from the 3 private primary schools in Ilkley, as well as Askwith School. Most children at the Catholic primary school (Sacred Heart) currently go to St. Mary's; we do take some from there, and the recent proposal to remove funding for school transport for faith schools will undoubtedly increase these. In the sixth form, we are obliged to limit the number of students due to constraints on size and have a minimum 5B academic requirement for entry. This excludes a large number of students from the school who have to travel to take part in further study.

Using figures from the ONS, we estimate that 1200 new homes in our Priority 1 catchment are will contain 2,040 children under the age of 18. (1.7 per household). Assuming an even spread in age, this will be 113 for each year group. It is evident that IGS cannot accommodate the children currently in our primary system and will certainly not be able to take any new children. Our current site is physically constrained on a hillside site with off-site playing fields and cannot be developed any further.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Building School for the Future, Bradford and Ofsted all recognised the urgent need for a new IGS build – with an extra form of entry and increased Post 16 numbers. Clause 4.3.2 of your policy outlines your vision for Ilkley for 2030 and assumes a new secondary school has been built but you have not allocated any land for this in the Plan. We strongly urge you to make provision for a new site for IGS by designating all or part of site IL014 for educational use, so we can serve the Wharfe Valley.

We continue to work closely with Bradford to see this realised.

*Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.*

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

<input type="checkbox"/>	No, I do not wish to participate at the oral examination
<input checked="" type="checkbox"/>	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

It is vital that the educational needs of the current and future children of the Wharfe valley are adequately catered for and we believe it is important for the Inquiry to hear from us directly in order to fully understand the constraints we operate under and the need for a new Ilkley Grammar School.

*Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.*
