PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	3	Paragraph	3.48	Policy	SC3
---------	---	-----------	------	--------	-----

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	No
4 (2). Sound	Yes		No	No
4 (3). Complies with the Duty to co-operate	Yes		No	No

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Policy does not seem to be Sound (nor Effective either).

- o Specifically the Plan seems not to mention neighbouring Core Strategies or Plans. See the comment about Leeds in Other Factors above.
- o In my opinion it does not seek widespread "Justification" - see comments about the availability locally of the draft plan - and little or no consultation apart from a few public meetings that were impossible for workers to get to easily.
For example the Council held a number of drop-in events across the Bradford District for local residents and other interested parties to find out more about the proposed strategy and to have their say on the 'Further Engagement Draft Document' and there was one (!) - on Tuesday 29th November 2011 at the King's Hall in Ilkley between 12 noon and 7 pm!
- o In my opinion no one in business would find that at all easy. There were some Technical Consultation Events - but these were by "Invitation only". The consultation was meant to be (and was claimed to be) addressed to members of the general public, community and voluntary organisations, statutory bodies, businesses, landowners, investors, developers, professional bodies and anyone*** with an interest in the Local Development Framework for the Bradford District.
- o Well, all I can write is that in my opinion not enough was done.

***I believe I meet the criteria above and do not feel consulted.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of

modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Overall Plan needs to undergo a wider slower consultation with many more opportunities put to the local People and Societies.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No	No, I do not wish to participate at the oral examination
	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

--

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
