PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section Paragraph Policy

4. Do you consider the Plan to:

4 (1). Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
4 (2). Sound	Yes	<input type="text"/>	No	<input checked="" type="text"/>
4 (3). Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

1. ICKLEY WITHOUT a Bypass will cause severe strain on the already heavy traffic load.

2. Parking in ICKLEY is already stretched to almost breaking point. The car park for Rail users is totally inadequate thus street parking is used as the "overflow" visitors then have real difficulty in finding suitable parking. This also applies to residents looking to shop in the Town.

3. ICKLEY is a commuter town - little or no industry exists for new arrivals/housing.

City of Bradford Metropolitan District Council

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

There should be a compromise solution in my opinion -
So there should be some housing built - say 200/300 houses
but within these terms - infrastructure has to be
improved - Greater parking - more schools - improved
medical facilities. Without these then housing
becomes a doubtful option with far less houses built

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

<input checked="" type="checkbox"/>
<input type="checkbox"/>

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
