PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	5.3	Para 64	Policy	HO3
---------	-----	---------	--------	-----

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	
4 (2). Sound	Yes		No	
4 (3). Complies with the Duty to co-operate	Yes		No	

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

As 55% of the development under the new proposals will be built on green belt land, this will close the gap between Ilkley and both Burley-in-Wharfedale and Addingham. Green belt land has been given great importance by the government and is intended to prevent towns merging into one another. This proportion of 55% of building on green belt land is also greater than the proportion proposed anywhere else in the Bradford District.

Some of this green belt land is very close to the River Wharfe where flooding regularly occurs and is therefore not suitable for building houses.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

There are brown field sites within the Ilkley area and particularly within the Bradford District which could usefully be developed for housing which would reinvigorate those areas and communities.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
