PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	<input type="text"/>	Paragraph	<input type="text" value="HO1 4"/>	Policy	<input type="text"/>
---------	----------------------	-----------	------------------------------------	--------	----------------------

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
4 (2). Sound	Yes	<input type="text"/>	No	<input checked="" type="text" value="X"/>
4 (3). Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

A single policy aimed at influencing the housing market does not meet the needs of the entire district. Some areas have one of the most buoyant property markets in the UK, while but ten miles away, like-for-like property will not sell at a quarter of the price and the market is sluggish.

Vacant properties (both private and public sector) could satisfy almost a quarter of the plan's anticipated housing requirements. There is little evidence that the plan aims to address this issue – the perception being that all housing has to be new-build. Empty property in inner city areas in close proximity to employment sites should be dealt with as a matter of urgency. Private owners who cannot afford to bring property into adequate condition should be required to sell their property to others who have the wherewithal to create homes, thus reducing the need to expand at the rural fringe. This would contribute to urban regeneration. There are still too many derelict urban sites on which nothing appears to be happening.

Any derelict urban sites which are undesignated should be examined carefully and designated for housing employment or education. They should not be left with no planned usage because an owner is waiting for the land value to increase.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Action should be taken in the plan to require vacant and derelict premises are designated and put to use.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

<input type="checkbox"/>	No, I do not wish to participate at the oral examination
<input checked="" type="checkbox"/>	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

To discuss in further detail

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
