PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	<input type="text"/>	Paragraph	<input type="text"/>	Policy	WD1, EC3 and Para 5.2.1 (transport)
---------	----------------------	-----------	----------------------	--------	--

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
4 (2). Sound	Yes	<input type="text"/>	No	X
4 (3). Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible. If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Some 1600 new houses are planned for Wharfedale, but only 5ha on new employment land.

This conflicts with the need to reduce travel detailed at 5.2.13 of the core strategy as clearly one if not two members of each household is going to require employment and the likelihood is that to obtain the salary needed to afford expensive property as in Wharfedale, that those people will need to travel to Leeds.

There may be a small growth in self-employed persons working from home, but most people are going to have to travel daily on road routes which are already over capacity or trains which are already full. Self-employed people who purchase a lease-hold flat may find themselves enforced because of restrictions on running a business from such premises.

Building houses in Wharfedale will not meet Bradford's need to house overcrowded families in Bradford and new, forming households, many of whom cannot afford even 'affordable housing' let alone have the time and funds to travel to work 10-15 miles from their new homes. Wharfedale would simply provide overspill for Leeds rather than solving Bradford's housing problem.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The number of houses in Wharfedale needs to reduce considerably to match employment opportunities.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

	No, I do not wish to participate at the oral examination
yes	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

This links with other cross cutting issues including the principal town arguments and should be taken together with them.

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
