PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	<input type="text"/>	Paragraph	<input type="text" value="4.3.2"/>	Policy	<input type="text"/>
---------	----------------------	-----------	------------------------------------	--------	----------------------

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
4 (2). Sound	Yes	<input type="text"/>	No	<input checked="" type="text" value="X"/>
4 (3). Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The future vision for Ilkley is flawed in that it foresees changes to infrastructure which are not achievable by Bradford Council. There is no point in having a vision which cannot be delivered.

For example, before a new secondary school for the area is designed and planned, the school catchment area needs to be defined precisely, so that the number of children to attend can be estimated with confidence. But Ilkley Grammar School is no longer in Bradford's control as an academy and can in future set its own admission criteria (though it doesn't choose to do so yet except at 16+)

Further, public transport provision improvements are not in Bradford Council's hands. Where state subsidy has been reduced, so have bus services. Stating in the core strategy vision that it is planned to enhance bus services from Wharfedale to Airedale and Bradford is a hollow intention that will come to nothing if such services are not commercially viable.

With regard to trains, although West Yorkshire Railplan 7 indicates long term growth of passenger numbers, there appears to be no plan to deal with the bottlenecks – the single track sections on both the Leeds and Bradford lines from Ilkley or any signalling improvements that will increase capacity. With the opening of the new station at Kirkstall (at which Wharfedale line services are not programmed to stop), there will be even more pressure to give higher priority to trains on the Airedale line. This may lead to lengthening journey times and lack of confidence in rail connections from the Wharfedale line at Leeds.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The future vision in the WD policies should be re drafted more realistically with targets that are achievable by BMDC or to which its partner organisations are prepared to sign up and deliver.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

<input type="checkbox"/>	No, I do not wish to participate at the oral examination
<input checked="" type="checkbox"/>	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

To discuss in more detail

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
