**PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.**

**3. To which part of the Plan does this representation relate?**

Section	HRA and	Paragraph		Policy	WD
---------	---------	-----------	--	--------	----

**4. Do you consider the Plan is:**

4 (1). Legally compliant	Yes		No	
4 (2). Sound	Yes		No	X
4 (3). Complies with the Duty to co-operate	Yes		No	

**5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.**

**If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.**

There is a conflict between the HRA and the Wharfedale series of policies.

The impact of the HRA has been to reduce the number of houses indicated in the core strategy to be built in Wharfedale. The numbers for each settlement have been reduced to round figures which is concerning because it is not obvious **how** the reductions have been calculated. As far as Ilkley is concerned, building 800 houses on the very few sites which are less impacted by the HRA, (ie in the 2.5 km zone) puts even more pressure on green belt areas to the east and west of the town.

There is therefore a strong case to reduce the 800 figure much further in order to achieve a satisfactory level in Ilkley.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Housing in Wharfedale should be reviewed in the light of the HRA and precise reduction calculations made public.

*Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.*

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

	No, I do not wish to participate at the oral examination
yes	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

To discuss in more detail.

*Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.*
