**PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.**

**3. To which part of the Plan does this representation relate?**

Section	3	Paragraph		Policy	<b>SC4 AND SC5</b>
---------	---	-----------	--	--------	--------------------

**4. Do you consider the Plan is:**

4 (1). Legally compliant	Yes	✓	No	
4 (2). Sound	Yes	✓	No	
4 (3). Complies with the Duty to co-operate	Yes	✓	No	

**5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.**

**If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.**

North Yorkshire County Council (NYCC) as the Local Highway Authority supports SC4 and SC5 in particular the reference to the improvement of public transport systems and services and the recognition of improved connectivity between the Regional City of Bradford and the Airedale Regeneration Priority Area including access to the Regional City of Leeds via Otley Road.

SC5 F recognises the need to plan strategic travel patterns of development to maximise opportunities for non-car modes of transport, addressing accessibility needs.

The strategic approach to make the Regional City of Bradford the prime focus for development and to see the greatest proportion of development and growth in this area minimises potential cross-boundary issues in Craven and Harrogate (North Yorkshire).

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

*Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.*

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

x	No, I do not wish to participate at the oral examination
	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

*Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.*
