PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	5	Paragraph	5.2.141	Policy	
---------	---	-----------	---------	--------	--

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes	x	No	
4 (2). Sound	Yes		No	x
4 (3). Complies with the Duty to co-operate	Yes	x	No	

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

We consider the plan to be unsound in that it will lead to substandard housing being allowed, especially where developments are of less than 10 dwellings.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Amend paragraph 5.2.141 to read:

All new housing developments will be expected to meet the Code for Sustainable Homes Level 6, and from 1st April 2016 all new housing must meet the Zero Carbon Homes standard or any national equivalent. If the proposed standards are below those set out in Policy HO9 then the onus will be on applicant to justify why development to these standards cannot be achieved.

This amendment will ensure that all new developments are treated equally, irrespective of size, and that the highest possible standards are achieved.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

<input type="checkbox"/>	No, I do not wish to participate at the oral examination
<input checked="" type="checkbox"/>	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

In the interests of transparency it should be open to all objectors to contribute to the inspection process.

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
