PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	<input type="text"/>	Paragraph	<input type="text"/>	Policy	<input checked="" type="checkbox"/>
---------	----------------------	-----------	----------------------	--------	-------------------------------------

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
4 (2). Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
4 (3). Complies with the Duty to co-operate	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

- 4.1 This plan is in conflict with National Planning Policy for protecting green belt land.
- 4.2 This plan does not provide for the additional primary and secondary education places that would be needed. Nor does it indicate or suggest where the resource for creating additional school places and teaching staff would come from. The same lack of provision applies to GP services and to rail services. This plan ignores the impact of additional vehicle traffic on the A65 and other roads such as Valley Drive, Ben Rhydding Road, Clifton Road and Bolling Road. It also ignores the already overcrowded car parking facilities.
- 4.3 The proposals leading to this plan have been poorly communicated to those who would be affected by a significant increase in demand for overstretched services as listed above. This Representation Form uses language which some might find difficult to understand and it demands a response with more technical content than an average person is accustomed to providing. Therefore it may act as a deterrent to some who would otherwise respond.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The plan should be shelved. It cannot be made legally compliant as it ignores a crucial National Policy affecting use of green belt land. It also ignores significant issues that are vital to the area; these are detailed in 4.2 above and without resolution of these the plan is fatally flawed. Duty of co-operation is absent in that this Representation Form does not permit responses that are sufficiently balanced across issues wider than the technical criteria selected by its authors.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
