Subject: New builds in Baildon

Dear Sir/Madam

I would like to say how much I oppose the building of up to 450 new houses in Baildon. We live in the area near the proposed new buildings. We are concerned because we feel there are already too many new houses. We have real problems travelling up and down Browgate because of the intensity of traffic especially early mornings and around tea time. We do not have enough places in local schools or medical facilities to cope with extra people. Baildon has a minimum of shops and facilities generally extra housing will bring extra strain. Please be aware of how strongly we feel about loss of green fields. We don't want Baildon to be one large housing estate without any green areas.

Yours sincerely

Mrs [REDACTED] Horner
