Subject:

BRADFORD COUNCIL CORE
STRATEGY
ADDITIONAL HOUSES IN WIKLEY

Comment:

WIKLEY current infrastructure
is already under great pressure
any additional housing will
make the situation worse, unless
all the current services are
increased to cater for ~~it~~
the proposed increase in housing
Major current concerns are
lack of school spaces and
land to extend or rebuild
the grammar school & feeder schools

Do Not Forget to fill in your name and address overleaf

car parking - the current
situation is close to "grid lock"
additional vehicles will shut bus
down
Social Services, Doctors &
Districts are already under
pressure an additional maximum
of 1600 people will bring
us to stand still.
