ITKley

RECEIVED  
28 MAR 2014

Dear [redacted] Kitching,  
I write to deplore

the idea that 17-1800 houses  
might be allowed to be built  
in the ITKley area and 80%  
on Green Belt in view of the  
Government Minister's recent  
Statement that the Green Belt  
should never be used except  
as a last resort!

This is appalling in view  
of the environmental and  
cultural heritage of ITKley  
which is enjoyed by both  
Leeds and Bradford.

There are Brown Field sites

sites in both Bradford and  
Keighley which could and  
should be used.

Yours faithfully,

 Thornton (Mrs)
