My Comments on

The Bradford Local Plan

Subject:

800 new houses for
Wales

Comment:

Roads = do not have infrastructure
to cope with current traffic,
we have now to so already
being built, holiday traffic
and commuters.

Doctors = we only have 2 small
practices for the whole of Walsley

Dentist = Absolutely no chance
of NHS places. Years of waiting
on waiting lists.

Schools = we are already

Do Not Forget to fill in your name and address overleaf

Smuggling to hit everyone with
their local primary secondary
school bus students ~~to~~ away
from nearby villages so can't
cope with numbers
Nursery places - not enough
already.
