The Bradford Local Plan

Subject:

SLLAA - 14/019

Comment:

Whatever the merits (if any) of the plan to build 200 extra houses in Elliley, the plan in respect of 14/019 is particularly misplaced. 14/019 represents a substantial breach of the existing north boundary of Elliley. It lacks coherence and will encourage its further expansion to the west in future years. PC

Further, it will increase the
already existing pressure on the
New Brook Street Bridge. In
addition, any plan to access

Gill Bank Rd etc simply could
not cope with the additional
traffic - both existing development
and the extra
