The Bradford Local Plan

Subject: ~~Bradford~~ Core Strategy -  
 draft plan.

.....Comment:

The vision aims for Tillybury  
 into a question of conflicts between  
 growth and services needed factors.  
 The approach promotes within  
 developments of brown field sites,  
 however there are four brown field  
 sites for development in Tillybury  
 their would mean utilisation of the  
 Green Belt to the detriment of the  
 environment and the wildlife of the  
 area.

The proposed 200 houses would  
impinge negatively on the infrastructure  
of the town. The schools are already  
running to capacity, expanding is  
difficult and the roads are already  
congested, the trains are overbooked.  
So many houses would hinder the  
health services. In all, there  
is a flawed plan as there is  
no national to limit 200 houses  
in Ilkley
