Subject:

The Plan To BUILD 800 HOUSES IN JULY

Comment:

~~The plan is flawed because:-~~

1. Schools are already full to capacity.
2. Roads are already unable to cope with traffic
3. There is already insufficient parking to cope
4. Healthcare facilities are already under pressure
5. Public transport already unable to cope
6. Lack of employment will result in more commuting to Leeds & Bradford.
7. Building on Green Belt will change the character of the town & damage the tourist trade on

Do Not Forget to fill in your name and address overleaf

which its economy is largely dependent.
8. Damage will be unable to cope

Surely more housing on brown field sites
is such towns as Kirkstall would promote
industry there and leave Ilkley's green belt
unspoiled and allow Ilkley to continue to thrive
as an attractive tourist spa town. Build in
Ilkley and turn it into a dormitory and part
of the Leeds/Braford sprawl.
