ILKLEY SHOULD NOT EXPAND
IT IS NOT JUSTIFIED

Comment:

1. The E.C Habitat Directive should be taken more into account because the moor and surrounding green belt have high value.

2. Schools. Clearly the secondary schooling is full to capacity. No more houses, people and children should come.

Do Not Forget to fill in your name and address overleaf

3. Brownfield sites. There is a vast area of brownfield land in Keighley and Bradford which should be developed before any Ilkley land.

4. Traffic. The A65 is already at capacity and parking is inadequate.

5. Visitors. The tourist emphasis of the town would be detrimentally affected by new housing.
