Local Plan - Future Progress

Comment:

The obvious problems of building
inclusion houses within Ilkley are
the services in the town are under
severe strain i.e. Roads / Parking
Health Provision, Dental (via NHS) and
Education (all schools - primary / senior are
fully subscribed. At present the rail
service to Leeds and to Bradford
are also under strain during the
commuter period - standing is a common

problem with no seats available.....

Ilkley is a town surrounded by hills and therefore during wet periods in the winter there is a lot of water movement. New housing inevitably means the ground will be compacted over due to roads and pavements. We have all seen the great problems in other areas of the country.....

Please be sensible and restrict development.....
