 The Bradford Local Plan

Subject:

Building on the field near
 Hebers Corner

Comment:

This proposed building would
 have a devastating effect on
 local wild life as it is adjacent
 to the moor. Furthermore it
 would have an impact on local
 schools which are already
 over subscribed. We strongly
 oppose this building. Parking
 would be a further issue
 with cars pulling out onto

Do Not Forget to fill in your name and address overleaf

a main road. We strongly
oppose this building
project.
