The Bradford Local Plan

Subject:

"Bradford's Core Strategy"
X Housing

Comment:

District is already traffic-clogged.
Street parking is everywhere and
RANDOM. The growth of Tesco stores to giant-
size will add to road problems. However
this variety of Tesco growth should not
have been given/allowed to proceed. Public
transport is frequently under strain, as also
school size / so now comes the idea of
commuting in a further 800 houses.
Whatever will happen to my countryside

Do Not Forget to fill in your name and address overleaf

appear?

There is already an imbalance
between town and tourism (visitors, day-
trippers) due to a never-ending succession
of "events", bringing off a number of
town businesses and those with an eye to
self-promoting whilst at a reasonable level
of 'entertainment'. This is fair (but closed
roads? over-amplification of "music"?) quality
of life is being eroded. If 800 drinkings
increase all this, what then?
