Subject:

The Proposal for 900 "extra"
houses in ILKLEY.

..... Comment:

I object to the current proposal
for several reasons:-

1/ The impact of 900 houses will
put unsustainable pressure on
school and school playing field

provision in the area. The lack of
green space has a detrimental
effect on the desirable nurture of
young children.

2/ Ilkley is already congested. Traffic

Do Not Forget to fill in your name and address overleaf

management, road safety and provision
4. SAFE PAVEMENTED areas for
pedestrians are already causing
problems for residents and visitors.
3. Decisions made now will
affect the future and will be
irreversible.
4. Given the geographical
circumstances of space, any
encroachment will be detrimental
to local people already resident
here.
