CAR PARKING IN ILKLEY

Comment:

On Thursday, 13th February at 11.30 a.m., I counted the cars parked within easy walking distance of the town centre in my SW sector of Ilkley.

- 31 cars at the bottom of King's Rd
- 22 on Grove Rd. (7 double parked)
- 13 on Chapel Lane
- 8 in St. James' Rd.

Parish Ghyll Rd. had a continuous line of cars on the left. All spaces

on the Grove were full. 800 more houses means at least 1000 more cars. If 100 of these people go to work by train then 100 extra cars are to be parked. With working wives, perhaps 700 more are to go onto the busy A65 every day. After the "School Run", wives shopping means more street parking. And in the summer the many visitors arrive! 800 houses are too many.
