The Bradford Local Plan

Subject:

ILKLEY PLAN - part of  
BRADFORD PLAN

Comment:

Great concern about extension of  
houses and effect on habitat  
encroachment in Ilkley Moor  
Local conservation will get worse.  
Sandy Heates several sites  
Woodfield sites - I believe already  
possible housing sites.  
Ilkley no doubt is the jewel in  
Bradford's crown and does not need to  
be split. Preserve as reserves.

Do Not Forget to fill in your name and address overleaf

will grow - schools, hospitals,  
places of employment.  
A large new car park or parking  
area is a must for the town.  
If houses must be built they  
need to be affordable houses (as  
built in other areas).  
A street (even left) must be reserved.  
Tourists will decrease if beach plans  
proposed by 2017(?) go ahead.
