The Bradford Local Plan

Subject:

Building on
Green Belt land
(Proposed)

Comment:

Building on Green Belt
land should be ~~only~~ only
Allowed in Exception Circumstances
where every possible
has been ~~explored~~ explored
In Tingley there is no
infrastructure in place
ie. A school would need to be
built, there are no jobs
people travel to Leeds or
Bradford for work, so no jobs

Do Not Forget to fill in your name and address overleaf

FARM land would be lost
for ever, never to be replaced
The only people to benefit
would be the house-builders
at the present time there are
sites which have been marketed
in Ilkley, quite a few flats
at the development (Middle
School) are empty.
Would people buy the proposed
houses?
