Subject:

300 more houses for Ilkley.....

Comment:

I believe that 300 more houses would.....
 have ~~to~~ ^{negative} greater ~~an~~ impact on the...
 local infrastructure of the area.....
 e.g. 2012 school numbers for Ilkley were...
 already over subscribed by 4 ~~for~~ ^{over} 3...
 schools... with only 1 school having
 any capacity. These children could even...
 travel to Addingham or Bury as they...
 were over subscribed by 3 + 21 respectively.
 I believe housing should be developed
 in other previously occupied areas such

as central Bradford to reduce reliance
on public transport... where it is already
heavily used. My husband regularly is unable
to fit his bike on certain buses as they
are all too full! Doctors and dentists
are already stretched beyond capacity
so adding 500 extra houses would be
too much, not to mention the impact on
an already very busy A65... In summary
500 houses in Ilkley = NO THANKS
