**PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.**

**3. To which part of the Plan does this representation relate?**

Section	5.3	Paragraph	D	Policy	HO8
---------	-----	-----------	---	--------	-----

**4. Do you consider the Plan is:**

4 (1). Legally compliant	Yes		No	?
4 (2). Sound	Yes		No	X
4 (3). Complies with the Duty to co-operate	Yes		No	x

**5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.**

**If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.**

Para D. Reference is made for more family housing and support to specialist accommodation for the elderly which I welcome.

No specific mention is made of the undoubted need in parts of the District, and especially in Wharfedale, for smaller and more manageable housing for pensioners who wish to downsize from their existing family sized housing.

This point, which was clearly recognised in the Menston Supplementary Guidance para 3.23, and is equally self evident in Burley, needs to be strongly emphasised.

Without such a Policy statement a significant and growing elderly population, which in Burley and Menston represents about 29% of the population, will continue to live in unsatisfactory housing and thereby limit opportunities for inwards relocation of families.

Adding such emphasis to the Policy will result in more houses coming on the market which are eminently suitable for families

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Policy HO8 should therefore include a policy statement that includes a particular emphasis on "increasing the necessary supply of suitable homes at suitable locations for older people to 'down size into'".

*Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.*

*After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.*

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

<input type="checkbox"/>	No, I do not wish to participate at the oral examination
<input checked="" type="checkbox"/>	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

To ensure that a local, democratically elected voice is heard.

*Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.*
