PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	4.3	Paragraph	D	Policy	WD1
---------	-----	-----------	---	--------	-----

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	?
4 (2). Sound	Yes		No	X
4 (3). Complies with the Duty to co-operate	Yes		No	?

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Protecting farmland, particularly in the categories 1> 3, is not referred to in Paragraph D of this critical Sub Policy.

Menston and Burley are surrounded not only by Green Belt land but also category 3 farmland used for cattle and sheep grazing.

In terms of development this lack of any protecting references is a grave omission as this land, which has important agricultural value, has not been clearly distinguished from the marginal land that is characteristic of so much of Bradford District.

Full account needs to be taken to the closeness and impact of the South Pennine Moors Special Area of Conservation (SAC).

Policies in HO3 do not set out the basis for any local review of the Green Belt, especially in areas of environmental sensitivity.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

A statement giving protection for land used for agriculture should be included in Sub Area Policy WD1 para D.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

<input type="checkbox"/>	No, I do not wish to participate at the oral examination
<input checked="" type="checkbox"/>	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

To ensure that a local, democratically elected voice is heard.

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
