PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	TBC	Paragraph	TBC	Policy	TBC
---------	-----	-----------	-----	--------	-----

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes	Yes	No	
4 (2). Sound	Yes		No	No
4 (3). Complies with the Duty to co-operate	Yes	Yes	No	

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Soundness - Sustainability – Jobs

Consistent with national policy: the Core Strategy Development Plan should enable the delivery of sustainable development in accordance with the policies in the National Planning Policy Framework.

The Plan pays almost no regard to the available employment opportunities. Ilkley is primarily a tourist destination with most jobs in the hospitality and retail sector.

There is very little industry in the town, and even administrative jobs are not common, as witnessed by the office building at Dansk Way which is now virtually unoccupied, and the nearby industrial units which have been empty since construction last year.

New residents will therefore have to commute into Leeds and Bradford, notwithstanding existing congestion on the main A65, struggling transport links and lack of parking in the town centre.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or

sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Building houses in precisely the place where there is no employment is not a sustainable way to encourage growth.

Housing on this scale should be located in areas which can support it. Bradford itself would be a more appropriate location given it's increasing population and anticipated job growth following construction of new shopping facilities in the city centre and other initiatives.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

<input type="checkbox"/>	No, I do not wish to participate at the oral examination
<input type="checkbox"/>	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
