PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	3	Paragraph	15.3	Policy	
---------	---	-----------	------	--------	--

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	
4 (2). Sound	Yes		No	X
4 (3). Complies with the Duty to co-operate	Yes		No	

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

section 3, para 15.3 of the Core Strategy states that it is vital that there is sufficient infrastructure (e.g. transport, schools, healthcare) to support the plan

- Local Infrastructure Plan (LIP) dated October 2013 makes scant provision for infrastructure improvements in Wharfedale.:-

- Is the A65 capable of further development - Two studies in recent years have concluded the A65 is congested and there are very limited opportunities to increase highway capacity, the route through the centre of Ilkley being a huge hurdle?
- Current Parking issues in Ilkley and surrounding areas
- Rail network is already fit to bursting – the trains are full at rush hours
- Schools already overcrowded and the Grammar school in Ilkley already full The LIP recognises that the shortage of school places “could pose significant challenge to delivering growth” (LIP para 5.5.1) yet has no proposals to alleviate the situation?

Main objections are numerous, however the issues of transport – road links – A65 is far too busy and crowded, schools and local infrastructure just will not allow this to be implemented in an effective manner.

In addition I cannot see that by building property in Ilkley area that this addresses the key issues trying to be resolved. ie key housing issues in key areas. Where are the jobs and where is the demand? Not in Ilkley .

We also need to evaluate if it is truly necessary to build on greenbelt – have we ensured that this is position of last resort ? Green belt is there for a reason.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Vastly reduce the number of proposed properties to be developed in the Ilkley and Wharfedale area. The infrastructure is fit to bursting already.

Address the issue directly – ie build houses where they are required , not just spread through the area.

Do NOT build on green belt land. This will longer term diminish the true value of the area – one which we should fight to keep

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No	No, I do not wish to participate at the oral examination
	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Not applicable

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
