Dear Sirs

Bradford Local Development Framework Core Strategy DPD Further Engagement Draft

I write on behalf of my clients in relation to the above document and enclose appropriate comment forms setting out their views on the current content of the Core Strategy Document.

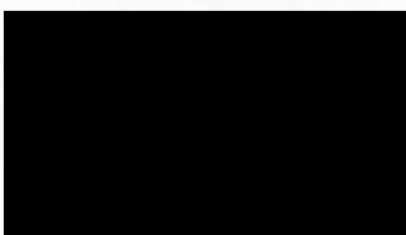

I also attach some site location plans indicating their land ownerships within the district by way of background to supplement these comments, although I appreciate that the promotion of site specific comments will be dealt with in due course by the Site Allocations DPD Document.

I would be grateful if these comments could be acknowledged as received as part of the formal consultation period and look forward to discussing the comments in greater detail as matters move forward.

Yours sincerely

Iain Bath BA (Hons) MRTPI
