PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

3. To which part of the Plan does this representation relate?

Section	soundness	Paragraph	182	Policy	
---------	-----------	-----------	-----	--------	--

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	
4 (2). Sound	Yes		No	NO
4 (3). Complies with the Duty to co-operate	Yes		No	

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

GREENBELT

The whole urban extension is proposed to be built on Greenbelt land, I thought the National Policy was to protect this land and had very specific guidelines so situations like this would not arise.

Greenbelt is protected for good reason, especially in the area of Holme Wood/ Fulneck Valley

1. To prevent the merging of Leeds and Bradford into one large urban sprawl, which it would clearly do.
2. To preserve the historic village of Tong and also local woodlands within the valley which contain ancient Oak trees
3. To protect the local leisure / outdoor activities which take place all day, every day in the surrounding valley. This area is used extensively by Horse-riders, Walkers, Cyclists, Runners and Dog walkers like myself to whom this would greatly affect.
4. Local businesses would suffer, we have a pub in the village which is visited because it has a lovely country feel to it, Tong will just become another suburb of Bradford/Leeds and lose all of it's appeal.
5. Also the increased traffic in the village and surrounding area , which is horrific already will certainly increase and with a young family is extremely worrying.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I propose that the intentions to build an Urban Extension on Holme wood Valley are struck from this plan, when there is alternative sites available.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

no

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
