---------	----------------------	-----------	----------------------	--------	-------------------------------

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
4 (2). Sound	Yes	<input type="text"/>	No	<input type="text"/>
4 (3). Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I believe that the Council has a duty of Care for future generations to preserve Green Belt Land.

The main need for housing is for low cost housing of 1 / 2 / 3 bedrooms to satisfy those on low incomes and low capital.

The best way of doing this is to build on Brownfield sites of which there are plenty.

Destroying Green belt land as at BA/005 Ba 004 and BA/018 will lose this green space for ever.

Most recent building along West Lane has been very high priced property and panders to Developers.

There has been constant erosion of Green Belt in Baildon and NO support in the way of improved Services and Roads. Further development will only increase the pressure.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Stop building on Green Belt Land in Baildon

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

No

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
