To whom it may concern

I would like to register my objection to proposed plans for further large scale building development in Eldwick and Gilstead as proposed in the Local Plan for the Bradford District.
I would like to particularly object to further development in Sheriff lane/Lode Pit Lane and the further parcel of land near Braodstones Park, The Orchard Sheriff Lane.

These are the last remaining fields in what is essentially a rural village! this would be a permanent fatal loss of greenbelt within Eldwick and Gilstead.
Development is already over capacity in the area with the housing as it stands with the out of proportion Swan Avenue development.

There is no infrastructure to support the existing housing in the area. Schools are already over subscribed and residents children in Gilstead are already excluded due to the existing housing numbers.
The road access is not suitable and can not support further development particularly in the area of Sherriff Lane.

Please register my objection

Yours Sincerely ... [REDACTED] Sharp
