3. To which part of the Plan does this representation relate?

Section	4	Paragraph	1	Policy	C1
---------	---	-----------	---	--------	----

4. Do you consider the Plan is:

4 (1). Legally compliant	Yes		No	
4 (2). Sound	Yes		No	
4 (3). Complies with the Duty to co-operate	Yes		No	✓ not compliant

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

B: DUTY TO CO-OPERATE

3rd TFVA REPRESENTATION

Failure of the Core Strategy to show how the 'Duty to Co-operate' has been approached and fulfilled. There appears to be no documentation in Bradford's draft that identifies those with whom it has co-operated, how this has been done, and what has been achieved through the process.

Failure to Co-operate with Leeds MC. There is no sign of any committed and sustained co-operation between Leeds and Bradford despite the sensitive geographical adjacency of the green belt protected land that separates them. Leeds Council's objection to both the Tong and Holme Wood NDP and to the Core Strategy LDF FED and Bradford's hostile response exposes a failure to achieve this. The Core Strategy fails to identify the process that has been followed to meet this requirement, either in the ongoing process of the formation of the Core Strategy or in the completion of its final form.

Failure to co-operate with public bodies. We can find no evidence of co-operation with health authorities and water companies despite the increased health care challenges that would ensue from the Urban Extension, and the increased flood risk that would be brought to Pudsey Beck and Troydale.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No	No, I do not wish to participate at the oral examination
	Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.
