3. To which part of the Plan does this representation relate?

Section  Paragraph  Policy

4. Do you consider the Plan is:

4. (2) Sound Yes  No

4. (3) Complies with the Duty to co-operate Yes  No

5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.

If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

4(2) There are no plans for extra infrastructure with regard to education, health & social welfare and transport. To cope with the number of new houses suggested & the increased population. There is no analysis of the housing needs of the District which would lead to a consideration of the kind and locations of housing needed. There is scant consideration of the environment & what may be appropriate in each area of the District. The Plan flies in the face of National Planning Policy on these issues & also with the preservation of the Green Belt & the use of Brownfield sites.

4(3) The consultation process seems to have been designed to deter people from responding & to minimise the length of any response.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B. Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The sensitive environment of Valley and its infrastructure which is already seriously stretched suggest that the only way to make the Plan sound would be to suggest a very small number of affordable houses.

*Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.*

*After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.*

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination.

Yes, I wish to participate at the oral examination.

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

*Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.*
