if you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

It is vital to protect Green Belt land. Also putting so many houses in one place would put an intolerable pressure on local infrastructure, roads, schools, doctors. An especial problem would be the very poor public transport in the Tong area. It would be much better to use all the empty property in the Bradford area first. This would spread people around in a more beneficial way. But above all the Green Belt should be protected not built on.
