**PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.**

**3. To which part of the Plan does this representation relate?**

Section	<input type="text"/>	Paragraph	<input type="text"/>	Policy	<input type="text"/>
---------	----------------------	-----------	----------------------	--------	----------------------

**4. Do you consider the Plan is:**

4 (1). Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
4 (2). Sound	Yes	<input type="text"/>	No	<input checked="" type="checkbox"/>
4 (3). Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

**5. Please give details of why you consider the Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please refer to the guidance note and be as precise as possible.**

**If you wish to support the legal compliance, soundness of the Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.**

It is accepted that adequate and sufficient infrastructure (schools, roads, rail links, health care, amenities, parking) need to be in evidence to support proposed housing developments. However, the local infrastructure plan from October 2013 does not identify sufficient improvements in the infrastructure to support the plan. At the present time all local primary and secondary schools are full, the main A65 is severely congested at peak times and no by pass or road widening is deemed possible, parking within the town is already at a premium and rail services are already congested at peak times with again no scope for increasing capacity.

6. Please set out what modification(s) you consider necessary to make the Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to the soundness. (N.B Please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

There is no plan in place to articulate the number of additional children to attend schools both primary and secondary, the public transport improvements required, the road infrastructure improvements needed.

*Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. Please be as precise as possible.*

*After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.*

7. If your representation is seeking a modification to the Plan, do you consider it necessary to participate at the oral part of the examination?

x

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

*Please note the Inspector will determine the most appropriate procedure to adopt when considering to hear those who have indicated that they wish to participate at the oral part of the examination.*
