Red 2	Serious Defect (not roadworthy/illegal)	2+ defects	£100.00

A serious vehicle defect would be one that renders a vehicle unsafe for use on public roads due to contravention of a safety or legal requirement for which the

### Vehicle Inspection Fails

Having failed the test due to the above identified defect(s) and in accordance with section 48 & 60 of the Local Government Miscellaneous Provisions Act 1976, this vehicle is not suitable to be licensed or renewed or is suspended from use as a Hackney Carriage/Private Hire Vehicle until the defects are rectified and re-inspected by the Authority. You must re-submit the vehicle for inspection within 10 days from the date of its inspection. Failure to do so will result in the Licence not being issued and a full inspection will be required with the payment of the appropriate fee. Any proprietor aggrieved by a decision of a District Council under these sections may appeal to a Magistrates Court. Any appeal must be made to the court within 21 days of this notice. N.B. all defects shall be rectified forthwith.
